

The diagram shows a barcode with six segments, each containing a value. Lines connect these segments to their corresponding attribute names:

- Segment 1: *f*i → Manufacturer
- Segment 2: 15AHN → Atomizer Type
- Segment 3: 55° → Angle A°
- Segment 4: 200 → Size
- Segment 5: 6 → Number of bores
- Segment 6: 06.08 → Date of manufacturing
